Glo Starts Prison Ministry

On July 25th of 2009 Glo in the Dark Ministries was extended an invitation to start a prison ministry at Coleman Federal Correctional Institution. Coleman is the largest federal institution in the United States. It houses more than 7000 inmates in four different prisons (High, Medium, Low and a Women's Camp). The complex sits on 1500 acres and has over 1500 employees.

Pr. Edye Campos states "The Goal of Glo in the Dark Ministries at Coleman is simple. Bring light to men and women who are prisoners of the past. We want to reach those who have been forgotten. We at Glo feel that prison ministry is an opportunity to reach souls desperate to hear the gospel of Jesus Christ." On a weekly basis Pr. Edye visits both the Men's & Women's prisons at Coleman. On October 17th Glo celebrated its first baptism. Two inmates at the Medium facility gave their life to Christ. Praise God. Below are the pictures and statements by the two young inmates. Please keep Glo in the Dark Ministries in your prayers as we continue our prison ministry at Coleman.

First Fruits of new ministry

Pr. Edye baptizes 1st Inmate

"I gave up on myself but God saw something in me and that means a lot to me. I am getting baptized because I want to show my love for God. I want to grow stronger in Christ. I am doing this for me. One day I know I will have the chance to share His word with others. Thank you Pr. Edye for helping me to know God." - William Wallace

Pr. Edye baptizes 2nd Inmate

"Before coming to prison I was a drug dealer and even then I always knew God loved me, but I never knew how much until I came to prison. Now that I have accepted Christ I plan to live my life the way God would want me too. I know His hand is over my life that's why Jeremiah 29:11 is so loved by me. God Said "For I know the plans I have for you declares The Lord. Plans to prosper you and not to harm you, plans to give you hope and a future." Thank you Pr. Edye for bringing to our prison hope and the light of the world Jesus Christ.
