To whom it may concern,

It is with pleasure that I write this letter of recommendation for Pastor Edye Campos as he moves into the next phase of his ministry and returns to academics. He has been a great leader in our church at Gurnee, a spiritual inspiration and effective organizer of our many ministries. He and his family have been valued members of our church and he has my full support as he approaches the next phase of his ministry.

I am supportive of him as a pastor, as a friend and as a mentor to many in our church. He is hard working, well read and diligent in all that he approaches. He has a broad experience base and deserves an opportunity to leverage that for the Lord through further study and continued ministry.

He has shown a depth of character, a patient, yet diligent attitude towards the Lord's work and I think that God has wonderful plans for his future.

Please feel free to contact me by phone or email if you have any questions or would like more detail related to Gods servant, Brother Edye.

Warm regards,

Jeffrey I. Taube
