Subj: Letter of Recommendation for Pastor Raul Campos In Reference to Application for the Master of Arts in Pastoral Ministry (MAPM) Program

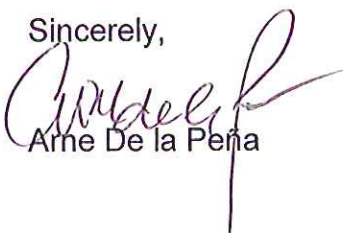

To: Program Director, Master of Arts in Pastoral Ministry (MAPM) Program

It gives me great pleasure in recommending Pastor Raul Campos for acceptance in the Master of Arts in Pastoral Ministry (MAPM) Program at Andrews University. Pastor Campos has been involved in varied ministries in our church. He has pioneered small group bible studies, baptized many members, mentored young adults, and coordinated outreach programs, just to name a few. He has a big heart for God as well as for others. As his head elder for the past three years, I have seen Pastor Campos grow in faith not only in shepherding the flock but also in his strategic vision for the church. His elders who he endearingly call his "band of brothers" respect him and young and old alike are drawn not only to his ability to have fun but also to his words of wisdom drawn from God's Word.

Pastor Campos provided unwavering spiritual nurturing to our members in their times of need. On a more personal level, Pastor Campos is an honorable and steadfast individual whose high energy can be an asset in academia. His passion for research coupled with enthusiasm and analytical skills are phenomenal - a trait crucial in graduate studies. Instead of regurgitating facts and theories, Pastor Campos is able to integrate knowledge to situations and generate well-thought solutions, serving our congregation well.

I highly recommend Pastor Campos for your graduate program. It has been a blessing to work side by side with him spreading the Good news. He will be an exceptional candidate in your program, withstanding the rigors of higher education. Therefore, I strongly recommend him without reservation. Please feel to contact me at (224) 610-2690 for additional information.

Sincerely,

Arne De la Peña
