To Whom It May Concern:

I have known Raul Edye Campos for over 7 years. For the first 4 years Edye was our Youth Pastor here at Laguna Niguel SDA Church. During that time, he helped our youth ministry grow into a strong outreach program for High School age youth. Edye is highly motivated, a self-starter and very creative individual. He took a fatherly interest in each young person and built strong relationships from which he was able to minister to our teens and their families. Edye organized several mission trips and led out in other social events. Several troubled youth were rescued from serious situations because of Edye's diligent intervention and active concern. I am sure that Edye will be an excellent candidate for any vocational responsibility that requires mature leadership with young people. His own life experiences help to qualify him to work with troubled youth. Edye also served as Chaplain to our school. He worked with kids in grades K-10. As Chaplain, he reached out to all the spiritual needs of our children and conducted weekly chapel services. Edye has a very compassionate heart and works very hard to accomplish his goals. I would give Edye a very high recommendation and believe he will be an asset to any organization team that he joins. For further questions please do not hesitate to call me at 949-495-0311.
